Memorial Foundation**

The Kate Svitek Memorial Foundation was established in Spring, 2002 shortly after Kate died on Mt. Bachelor in a snowboard accident. The Foundation's mission is to provide financial support to individuals, groups, and various institutions whose interests and goals align with Kate's hopes and dreams. The primary focus is to promote and underwrite a range of activities and education principally related to outdoor and wilderness exploration, study, observation, preservation, improvement, expansion, and enhancement.

Since its inception, the Foundation has been able to provide:

- Annual scholarships to students at UVM to be used for summer internships
- 21 scholarships to NOLS
- 115 scholarships to NCOB
- Yearly grants to Wissahickon Charter School's 8th grade 5-day Outward Bound trip
